About me

Mihiru Lakitha Jayasuriya is an entrepreneur and educator with expertise in technology, photography, and ICT education. As the founder of Black Sky Squad, a tech service company, he provides innovative technology solutions for businesses and individuals. He is also an advanced-level ICT lecturer at ICT School SL, where he inspires the next generation of tech leaders. In addition, Mihiru runs Every Clicks, a photography company that captures memories with creativity and precision. Through his diverse ventures, he is dedicated to driving impact and empowering others in the digital age.

Highly skilled in leveraging data science and information technology expertise combined with a strong background in education and mental health counseling to drive strategic decision-making and foster inclusive workplace cultures.
